

Poly Mailers

Lightweight and high strength with tamper-evident or reusable closures. One of our smartest envelopes yet!

FEATURES

Exclusive multi-layer, tri-extruded material
Weatherproof and abrasion-resistant
Permanent and re-useable seals available
Smooth Interior
High opacity
Excellent quality Flexographic printing up to 8 colours
Light-weight, rugged material
Meets Canadian & U.S. Postal Standards

BENEFITS

➔ Resists bursting due to over-filling – ideal alternative to corrugated cartons
➔ Solves delivery channel package failure and poor brand representation
➔ Provides secure tamper evidence or multiple use closures
➔ Easy insertion and sealability
➔ Ensures privacy of contents
➔ Allows for high impact graphics and presents unique branding opportunities
➔ Reduces storage and mailing costs, ideal alternative to labour intensive cartons
➔ Worry-free mailing

Available in 3 popular stock sizes:
